

A gift to the Foundation makes a difference in the lives of your neighbors, your friends and your family.

With your support, we will continue to provide exceptional state-of-the-art care to our residents and tenants while working with our community partners to improve community health.

Community Health Services Foundation, Inc.

is a non-profit organization dedicated to helping CHSC secure financial resources it will need as it grows and expands to meet the needs of this community.

And to do that, we will need your continued support. A contribution to the CHSC Foundation is an investment in your health and your community.

Contributions are used for:

- Life enrichment programs
- Purchasing medical instruments and equipment
- Supporting facility enhancements
- Supporting our facility's community health improvement initiatives
- Supporting area residents pursuing a career in health care.

Growing Connections

Community Health Services Campus is constantly looking at ways to enhance the life enrichment of the residents and tenants we serve.

To assist in this effort, the CHS Foundation is beginning their Growing Connection Campaign to build a serene, lush, and safe walking path for the enjoyment of our residents and tenants.

This peaceful walking path will be connected to Prairie Maison for the use of our residents, tenants, families, and visitors to enjoy the outdoors in a safe manner.

It's the CHS Foundation's goal to have calming and pleasant lighting, lush bushes, beautiful flowers and elegant trees throughout the walking path.

Who are we

Community Health Service Corporation (CHSC) is a nonprofit 501(c)(3), community owned organization whose nine Board of Directors consists of members from the local community. Its consists of:

- Prairie Maison, a 64-bed skilled nursing facility
- Bluff Haven, a 24-unit Independent Living and a 20-unit Assisted Living
- LaBatisse on Dousman, a 24-unit Independent Senior Living Apartment Complex

2019 marks the 10th year of service provided at Prairie Maison/ Bluff Haven Campus located on Fremont Street in Prairie du Chien
